ENJOY A CAREFREE WESTERN VACATION

The Easy, Inexpensive TOUR WAY

If yours is to be a real vacation this year — not just two weeks or so away from home — you'll choose a vacation that will provide a complete change in scenery, one that will assure recreation and fun, that will bring you back refreshed, mentally and physically, to resume your daily tasks.

Specifically, just what kind of vacation should this be? A TOUR vacation, the sort of vacation that fits beautifully into anyone's life — escorted, all-expense; a carefree, inexpensive, pleasure-and-scenery-packed pilgrimage.

All-expense tours eliminate planning and guess-work in determining where to go, what to see and do — and you know in advance just what it will cost. They eliminate the making of train, hotel and lodge reservations. Moreover, there's no baggage to look after, no sightseeing trips to arrange, no time tables to check for train departures and arrivals. Experts do all these things for you!

But a North Western-Union Pacific Tour goes beyond all this.

It makes it possible for you to see the best of the scenic West when it suits your time and convenience. And what glorious country in which to spend a vacation! Here Nature's artistry, with infinite patience and skill, has produced cloud piercing mountains, great forests, picturesque canyons and silvery waterfalls, lakes, rivers and streams, miles of ocean beaches. And everywhere you'll experience the hospitality for which the West has long been famous.

It's your kind of vacation, isn't it? Of course! Nowhere else in all the world will you find anything to equal the scenic magnificence of this great outdoor empire, any part or all of which you can visit economically and pleasantly on a North Western-Union Pacific low-cost, escorted tour.

Come! Feast your eyes upon beauty that will never die . . . upon scenic splendors that will always thrill and inspire!

NORTH WESTERN-UNION PACIFIC ALL-EXPENSE TOURS reach the attractions shown below—and every tour includes at least one National Park.

Yellowstone and Grand Teton National Parks. You will see Yellowstone's geysers and canyons, its flashing Falls, twice the height of Niagara, its wild animals. Nearby Grand Teton is famous for its Alpine mountain splendor. A complete tour of Yellowstone is made on all Tours with a "Y" designation. Grand Teton is included on the "YT" and the "YTCS" Tours.

Grand Canyon National Park. Vast, awe-inspiring, mysterious. Its soft, subtle colors change before your eyes as the sun moves across the deep, blue sky. A mile below the rim the Colorado River, at that distance looking like a silver ribbon, is still hard at work deepening the canyon. The "Z" and "YZ" tours include Grand Canyon.

Zion National Park. You see this gigantic rock garden from the canyon floor, and it is with rapture that you gaze up at its towering temples of rock, among them the Great White Throne. Here and there the canyon widens into majestic courts and sunlit glades. Coloring ranges from deep red to white. Seen on "Z" and "YZ" Tours.

Bryce Canyon National Park. A vast bowl of scintillating red and orange colored rock formations. When the world was young these might well have been the jewels of the Gods—gigantic garnets, amethysts and rubies. How they sparkle in the sunlight! Included in "Z" and "YZ" Tours.

Rocky Mountain National Park. Top o' the world mountainland. Circle tour includes Grand Lake and Iceberg Lake, never free from ice, and crosses and re-crosses the Continental Divide. Scenically it provides a sweep of mountain splendor that is never forgotten. Visited on our "RM" Tour.

Denver. Several tours include sightseeing in Denver, plus an interesting motor trip to Central City, reminiscent of those hectic days when it was an ambitious mining community; through rugged mountain country and the Park of the Red Rocks.

Colorado Springs. From this "coign of vantage" you visit Pikes Peak, Garden of the Gods and Cheyenne Mountain with Will Rogers' Shrine of the Sun near its crest. Seen on Tours "RM," "YCS," and "YTCS."

California. You visit such places of enchantment as Riverside, Los Angeles, Hollywood, San Diego, San Francisco, Yosemite National Park; even a bit of Old Mexico is added for good measure. The Tour-way is the ideal way to see them, either on a "C" Tour or a "BC" Tour.

Pacific Northwest and Canadian Rockies. This "air-conditioned" vacation empire is served by our "PNW" Tour and includes Sun Valley, Idaho; Columbia River Highway, Portland, Seattle, Victoria, Mt. Rainier National Park, also Lake Louise and Banff in the Canadian Rockies.

Salt Lake City. Utah's beautiful capital. Visit Saltair Beach at Great Salt Lake where swimmers find it impossible to sink; enjoy the organ recital at the Mormon Tabernacle. Many sights of historic interest. Salt Lake City is a feature of all our tours with the exception of the "C," "BC," "PNW" and "RM."

Best of Everything!

You'll ride on air-conditioned trains whether traveling in Pullman cars or in chair cars. You stay at the best hotels and lodges—and the finest of food is served wherever you go. Won't you pause for a moment in thumbing through the pages of this book and glance at the map on the opposite page? It tells an interesting, indeed, fascinating story. Briefly, it indicates your route through Yellowstone National Park on a "YD" or an "SYD" Tour.

These tours — of 8-day duration — answer this oft-repeated question: "Can I *do* Yellowstone even though I have only a week at my disposal?"

You'll see all the important places in this exciting national park. Entering at West Yellowstone, right on the park boundary, you visit Old Faithful first, then in succession, the Grand Canyon, Falls and Mammoth Hot Springs.

7

Castle Geyser erupts from an imposing crater

After Yellowstone comes a day of sightseeing in beautiful Salt Lake City, home of the Mormons and capital of Utah, followed by a day in and about Denver with a visit to Central City, site of the first gold discovery in that area, and a stop at Park of the Red Rocks.

Either of these tours is really ideal for the short vacation.

DAY-BY-DAY STORY

First Day. During the afternoon you traverse the rolling farmlands of Illinois and Iowa; cross the broad Mississippi and Missouri Rivers and arrive Omaha after midnight. You will enjoy dinner in the dining car.

Second Day. While you sleep the train crosses Nebraska, following the route of the covered wagons and early-day immigrants. All the while you are gaining elevation and morning finds you in Cheyenne, Wyoming. All day you are crossing Wyoming, viewing a variety of inspiring mountain scenery. You will wish to retire early so you can rise in time to view some of the marvelous scenery approaching the entrance to Yellowstone National Park.

Third Day. Early today you arrive at West Yellowstone, Montana, and enjoy a hearty breakfast in Union Pacific's attractive lodge.

MOTOR CIRCLE TOUR OF YELLOWSTONE NATIONAL PARK

Immediately after breakfast you board comfortable motor buses to take you to Old Faithful Inn for your first overnight stop. On the way you pause at Riverside, Grotto and Giant Geysers, Fountain Paint Pots — in reality molten clay — Morning Glory Pool, so named for its flowerlike, delicately-tinted cone, and other interesting formations. Peer deeply into Firehole Lake and you can readily imagine that underneath the water are blue flames, jetting from some underground furnace.

You reach Old Faithful Inn about noon. Old Faithful Geyser, just a step from the Inn, is the favorite among the geysers because of its regularity. You consult the clock in the lobby of the Inn which tells the time of the next eruption and determine nothing will interfere with your being on hand to confirm the mental picture of this spectacle you have carried since childhood. After luncheon in the pleasant dining room at the Inn, you join the party going on a hiking tour of the geyser formations conducted by the Park Ranger-Naturalist. After dinner you can dance, enjoy the entertainment and Ranger-Naturalist lecture — or just relax and watch Old Faithful go through its performance while giant searchlights play on the rising column of steaming water — an unforgettable sight. Overnight and breakfast at Old Faithful Inn.

Never-failing Old Faithful Geyser

Fourth Day. One last look at Old Faithful and then, after breakfast, your motor bus takes you on the thrilling ride over the Continental Divide. On the way stops are made at Kepler Cascades, then on to sparkling Yellowstone Lake, pausing on the shores of this mountain-girded body of water — largest at this altitude — to see Fishing Cone, Thumb Paint Pots and other interesting formations. Your destination is Grand Canyon and your driver pauses momentarily at Artist Point for your first breath-taking view of this gorgeous abyss with the mighty falls dwarfed in the distance, before taking you on to Canyon Hotel to get settled and “fresh-up” for luncheon.

The Grand Canyon of the Yellowstone! Words are inadequate to describe the Canyon and the Yellowstone River, a mighty cataract of water coursing ceaselessly and thunderously down its precipitous incline. Here is one of nature's most inspiring spectacles, and you will wish to view it from many vantage points. In the afternoon you will no doubt want to go down one of the trails and view the falls and canyon from the bottom. There are also thrilling horseback trails around the rim. In the evening dancing, cards and entertainment enliven the hours until bedtime. Canyon Hotel has one of the most beautiful lounges of any hotel in America.

Fifth Day. After a leisurely breakfast a fascinating trip is made over spectacular Dunraven Pass. You stop at Tower Falls, with a drop of 132 feet, one of the outstanding scenic features of the Park. Your route is through some of the finest forest sections where outstanding specimens of fir, balsam, spruce, cedar and aspen are to be found.

You arrive at Mammoth Hot Springs just in time for luncheon in the attractive Mammoth Terrace Dining Room. After luncheon there's ample time to visit the National Park Museum and the vari-tinted terraces. Steaming waters of hot springs, laden with minerals, flow over the terraces, the steps of which are exquisitely tinted by the algae (plant life) living in the hot water. The colors seemingly vibrate and glow in the sunlight.

Departing about 2:30 PM you'll see more of Yellowstone's eerie formations . . . Obsidian Cliff, Roaring Mountain, Norris Geyser Basin, Gibbon Falls, arriving West Yellowstone in time for dinner in the dining lodge. The train leaves at 7:30 PM for the overnight trip to Salt Lake City.

Sixth Day. Salt Lake City and a day of sightseeing. At 7:30 AM you are transferred from the depot to the Hotel Utah for breakfast — leaving hotel at 9:00 AM for a trip to famous Saltair Beach, where you can take a dip in Great Salt Lake, if you desire. You return to the Temple Grounds in time for the noon organ recital in the Tabernacle and conducted tour of grounds. Luncheon at Hotel Utah. At 3:30 PM motor tour of Salt Lake City, including business and residential sections, State Capitol and University of Utah, terminating at the Union Pacific Station in time for departure at 5:30 PM for Denver, Colorado.

10

There are many fine saddle trails in Yellowstone.

Amphitheatre Red Rocks Park near Denver

Seventh Day. Breakfast on the train. Motor buses leave immediately after arrival in Denver for an historic and scenic trip. First you see the State Capitol and Civic Center, then a tour of Denver's Mountain Parks stopping at Park of Red Rocks, continuing by way of Bear Creek Canyon and Bergen Park to Central City, early mining town. It was here that gold was first discovered in this area. A guided tour will be made of the famous Opera House, where noted opera stars perform each summer, and the Teller House, historic hotel, where luncheon will be served.

There will be time to browse around this interesting town for awhile before you return to Denver and board the "City of Denver" streamliner for your homeward journey.

As your train speeds eastward on the last lap of this delightful tour, you enjoy another of those delicious dining car meals; an evening of congenial companionship in the lounge car; a friendly game of cards, a good book, or just relaxing, reliving the many happy experiences of the past few days.

Eighth Day. Breakfast in the dining car, then Chicago. You'll say it was one of the finest vacations you ever had . . . and probably the most economical.

SATURDAY DEPARTURES FROM CHICAGO.

Many folks have expressed a preference for our "YT" Tour. Not only does it "give" them Yellowstone — all of it! — but it also treats them to a sightseeing jaunt of Grand Teton National Park.

In the Grand Tetons you'll see some of the most magnificent mountain scenery to be found anywhere. Often likened to the Alps of Switzerland, the Teton Range is said to "look more like you would expect mountains to look than any other range in America." Too, you motor through the picturesque Jackson Hole country, once the hide-away of outlaws.

In your four days of sightseeing through the Parks you'll see all of the spectacular wonders of Yellowstone — its geysers, paint pots, boil-

ing springs and terraces, its lakes and rivers; the Great Falls and Canyon of the Yellowstone River. Overnight stops are made at Canyon and Mammoth Hot Springs and at Old Faithful Inn.

Add to Nature's great "Show of Shows" a day of sightseeing in beautiful Salt Lake City and another in and about Denver and you have about as interesting a vacation as one could imagine . . . and it requires only nine days away from home!

All arrangements are made in advance — it's an all-expense, escorted tour; you're relieved of all travel details and free to enjoy a really care-free vacation.

DAY-BY-DAY STORY

First Day. Leaving Chicago during the afternoon your first hours will be spent in meeting your congenial companions and you'll watch the passing panorama — the interesting "prairie lands" of Illinois and Iowa's waving corn fields. Dinner is served in the Dining Car.

Second Day. After a restful night you awaken to find yourself rolling smoothly over western Nebraska, in mid-morning entering Cheyenne, Wyoming. You sense the fact that this is the West of history and romance, of high altitudes and jagged mountain peaks. Breakfast, luncheon and dinner are Dining Car events. In the evening you reach Pocatello. You'll no doubt retire early in anticipation of your arrival at Victor, Idaho, and adventure in a new world of wonders.

Third Day. You detrain at Victor at 7:00 AM and have breakfast at the Timberline Cafe.

MOTOR TOUR OF GRAND TETON AND YELLOWSTONE NATIONAL PARKS

After breakfast you start on an unforgettable tour of Grand Teton and Yellowstone National Parks. Crossing Teton Pass you travel into Jackson Hole — a great valley, favorite habitat of the beaver and other fur bearers, and important in the "Fur Trade Era." Later the Jackson Hole country gained fame as a hideout for outlaws. Now most of the valley lies within the boundaries of Grand Teton National Park. Early afternoon you cross the boundary into Yellowstone National Park, and in succession visit Thumb Paint Pots, Fishing Cone, Mud Geyser, Yellowstone Lake and Artist Point, each a rare treat. Dinner and lodging at Canyon Hotel.

Fourth Day. You'll have all morning to view the world renowned Grand Canyon of the Yellowstone, its breathtaking Great Falls, its foaming, surging river. You stand in awe as the cascading waters rush thundering down the precipitous incline.

Luncheon, then on your way by motor bus to Mammoth Hot Springs where you arrive about 5:15 PM. Your trip is over spectacular Dunraven Pass. You stop at Tower Falls, as indeed you should. The Falls have a drop of 132 feet, well worth a pause for camera-clicking and contemplation.

Dinner in Mammoth Terrace Dining Room. Then you may enjoy dancing; or perhaps you prefer to listen to a lecture by the Ranger-Naturalist.

Fifth Day. During the morning you'll be off to see the vari-tinted terraces just beyond the hotel and to visit the Park Museum. Leaving Mammoth after luncheon your bump of curiosity will be "well fed" as you gaze upon such formations as Obsidian Cliff, Roaring Mountain, Norris Geyser Basin and Gibbon Falls. On the way you also pause at Fountain Paint Pots, Firehole Lake, Morning Glory Pool, Riverside, Grotto and Giant Geysers. Arrive Old Faithful Inn late afternoon.

Dinner and lodging at this popular Inn. Old Faithful Geyser, perhaps the most famous of all geysers and certainly the most regular, is but a step from the Inn.

Sixth Day. You will have almost a full day at Old Faithful. You will want to go on a hiking tour of the geyser formations conducted by a Park Ranger-Naturalist. In late afternoon you leave for West Yellowstone, arriving in time for dinner at Union Pacific's Dining Lodge — then away by train for the overnight trip to Salt Lake City.

Grand Tetons seen through altar window, Church of the Transfiguration, Jackson Hole.

Wild animal life offers fun for camera fans.

Seventh Day. Motor buses meet your train at Salt Lake City and take you to the Hotel Utah for a delightful breakfast — leaving hotel at 9:00 AM for a trip to famous Saltair Beach, where you "can't sink," should you elect to take a dip in Great Salt Lake. You return to the Temple Grounds in time for the noon organ recital in the Tabernacle and a conducted tour of the grounds. Luncheon at Hotel Utah. At 3:30 PM motor tour of Salt Lake City, including business and residential sections, State Capitol and University of Utah, terminating at Union Pacific Station. You leave at 5:30 PM for Denver.

Eighth Day. Breakfast on the train before arrival Denver. You board motor buses immediately for an historic and scenic trip which includes the Civic Center, parks, Park of the Red Rocks and Denver's Mountain Parks, enroute to the old mining towns of Blackhawk and Central City, where a stop-over is made to visit the Opera House, Teller House and other points of interest. Luncheon at the Teller House — time to browse around a bit — then back to Denver where you'll board the streamliner "City of Denver" for Chicago.

Again it is a pleasure to watch the ever-changing landscape from your train window. But now your tour companions are your friends and together you re-live much of what you have seen, and you enjoy a sense of camaraderie that only comes from such a happy association.

Ninth Day. Breakfast in the Dining Car, a last "look around" as your train rolls quietly into Chicago, then happy adieu... and memories of a delightful, fun, carefree vacation!

Can you allow yourself 10 days out of this summer's calendar for a truly memorable vacation? We sincerely hope so. For then we'd suggest your taking our "YCS" Tour.

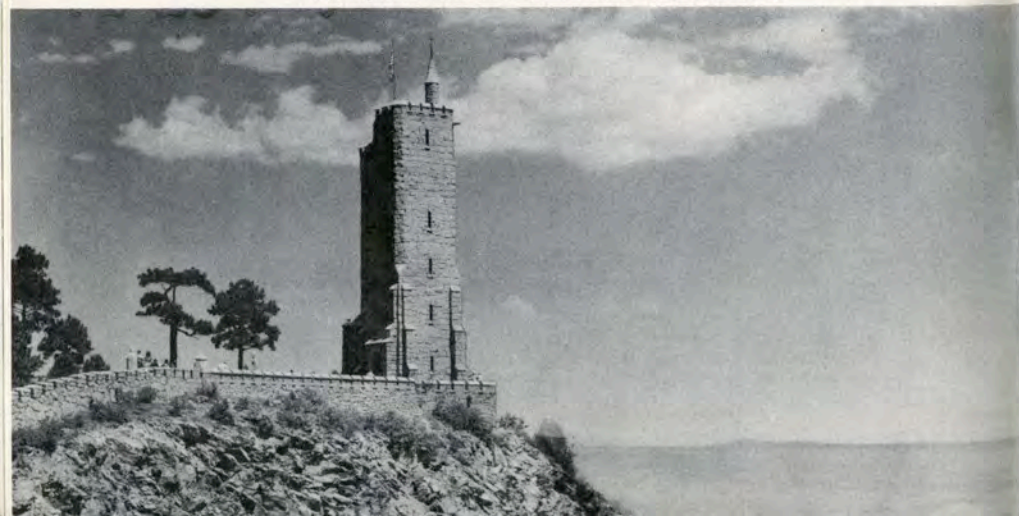

"YCS" is extremely popular, and rightly so. You see Yellowstone, of course — all its amazing phenomena — three full days of sightseeing in the Park with overnight stays at Old Faithful Inn and Grand Canyon Hotel.

Following Yellowstone you visit Salt Lake City — then glorious Colorado with two days and nights at Colorado Springs. Your time will be occupied with trips to the summit of Pikes Peak, Will Rogers' Shrine and to the Garden of the Gods. Included, too, is a tour of Denver, the mile-high capital city of Colorado.

Truly, a splendid vacation.

SUNDAY DEPARTURES FROM CHICAGO

Scenically, America is a land of contrasts, with many areas of exciting beauty. But if you seek a place that is really unusual, be sure to visit this region, usually referred to as the Southern Utah-Arizona Wonderlands. Its splendor is unparalleled.

Here the forces of nature have formed awe-inspiring, extravagantly colored canyons and mountains — a "Paradise of Color" and dreamland of artist and photographer.

Envision them if you can — the huge monoliths of Zion National Park; the fairyland of stone and color named Bryce Canyon National

Castler's Castle, Bryce Canyon Nat'l Park, Utah

Park; the painted cliffs of Cedar Breaks National Monument — all in Utah — together with the grandeur and vastness of Grand Canyon National Park in Arizona. Nowhere else on the North American continent is to be seen such an amazing concentration of scenic grandeur and geological wonders.

Add to these such along-the-way attractions as Mt. Carmel Highway, Kaibab and Dixie National Forests, plus a day of sightseeing in Salt Lake City and in Denver, and you have a vacation trip you will never forget.

And note, please, that the "Z" Tour schedule calls for two days each at Zion, Grand Canyon and Bryce Canyon in order that you may fully enjoy these monuments to Nature's handiwork.

DAY-BY-DAY STORY

First Day. You will spend the afternoon getting acquainted with other members of your party, perhaps enjoying a friendly game of cards in the lounge car as the train traverses Illinois and the rolling farmlands of Iowa. Dinner in the dining car.

Second Day. The rich agricultural region of Nebraska is passed during the night as you gradually gain elevation. Cheyenne, Wyoming, is reached in mid-morning. Soon after, you cross Sherman Hill, highest point on the Union Pacific (8013 ft.), then through country rich in historical association of the Old Oregon Trail, the Mormon exodus, the Argonauts of 1849 and the Pony Express. Near Laramie, the white peaks of Snowy Range are seen to the south. Near Rawlins you cross the Continental Divide. At Green River fantastically shaped painted buttes rise precipitously. Continuing down Echo Canyon, past Devil's Slide, and through Weber Canyon, you reach Salt Lake City, Utah, in late evening. A short pause is made here until departure of the overnight train for Cedar City.

Third Day. You will occupy your Pullman until 7:00 AM at Cedar City, then off for breakfast at El Escalante Hotel, just a few steps from

28

Interior of modern standard cabin in Utah-Arizona Parks

the station. After breakfast the buses will be waiting to take you on a trip, which, for scenic beauty, has no parallel in the world.

MOTOR TOUR OF UTAH-ARIZONA WONDERLANDS

The way from Cedar City to Zion National Park is interesting for its scenery and its people. You pass through several Mormon villages, all of which still bear the marks of early-day settlement — weather-beaten houses of handhewn timbers, fenced with stone; flagstone walks hoary with age. You pass through the heart of Utah's "Dixie," so named because its climate so closely resembles that of the South. Here are grown figs, pomegranates, almonds, cotton, tobacco and the most luscious melons that ever tickled the palate. Soon the desert is left behind and the colorful mountains of the Zion country come into view. You arrive at Zion Park Lodge at 10:45 AM.

When you are settled in your comfortable cabin, it will be time for luncheon in the central lodge building. After luncheon a trip by motor to the Temple of Sinawava and a hike with the Ranger-Naturalist to the Narrows. You will be overwhelmed at the beauty and magnitude of this inspiring region. Entertainment, nature talks, movies, dancing, plenty of activity for the evening hours.

Fourth Day. Today you will wish to explore some of the miles of trails — ride or hike — the East Rim, the West Rim. In the afternoon you may wish to take a refreshing dip in the pool. Later another fun-filled evening and a refreshing night's rest.

Fifth Day. You leave Zion at 9:00 AM for the Wonder of Wonders — the Grand Canyon. On the way you pass through the famous Mt. Carmel Tunnel along the Mt. Carmel Highway, with six huge tunnel portals through which you see masterpieces of scenic beauty. Then Kanab, residence of movie actors while making western pictures in nearby canyons. Soon the cool quiet of Kaibab Forest is reached and someone in the party sights a deer. Soon dozens of them are seen and finally you lose count. The Kaibab is also the home of the famous

The broad windows of the Lodge lounge overlook the Grand Canyon.

29

white-tail squirrel found nowhere else in the world. Suddenly you are at Grand Canyon Lodge where an enthusiastic welcome awaits you.

You will not want to wait to be assigned to a cabin, but off you dash for your first glimpse of the mighty Grand Canyon. Perhaps it will be from one of the large picture windows in the lounge of the Lodge, or right out on the lofty North Rim, but no matter where you get that first view of this vast abyss, you will be overwhelmed. Words cannot describe it — you must see it for yourself. You will finally pull yourself away for the formalities of getting settled and ready for a tasty luncheon in the charming Lodge dining room. That evening there will be informal entertainment, music and dancing and, perhaps, a moonlight stroll on the rim.

Sixth Day. You have all day and early the following morning to drink in the beauties of the Grand Canyon. You will never tire of gazing into its purple depths. You may wish to see it from outstanding vantage points like Cape Royal and Point Sublime, perhaps join a horseback party for views from other places. There will be something doing every minute of your stay.

Seventh Day. Leaving at 8:00 AM you travel back over the winding road, deep into the Kaibab . . . out across the plains . . . through sparkling canyons . . . past Vermilion Cliffs . . . through Red Canyon . . . then, Bryce Canyon the beautiful — like a glimpse of another world — reached at 1:00 PM.

Sunset enlivens the myriad tints of Bryce Canyon's fragile formations and presents the towering temple peaks, the colorful sculptured depths at their best. Entertainment and dancing enliven the evenings at the Lodge.

Eighth Day. After a solid night's rest in this cool mountain atmosphere, you are up early to view Bryce under the first rays of the rising sun. Under such light the canyon presents an entirely new and different aspect. You have all day to enjoy this fairyland of form and color . . . from the rim . . . hiking down the trails with Ranger-Naturalist guided

30

A colorful desert bloom

party for an absorbing explanation of the geology of the country . . . or perhaps as a member of a gay horseback party following your colorful cowboy guide around the rim and down the trails.

Ninth Day. All morning to drink in the unearthly beauty of Bryce and take away mental pictures you will recall with pleasure for years to come. Shortly after lunch you'll pack your bags . . . take one long, lingering look, then leave Bryce Canyon Lodge at 2:30 PM.

On the way to Cedar City a stop is made at Cedar Breaks National Monument, claimed by many to be the most colorful of the Southern Utah attractions. A vista of its tremendous formations, splashed with every color of the rainbow, will add another shock to your senses. In rustic Cedar Breaks Lodge you enjoy a hearty dinner. You depart at 6:45 PM for Cedar City — about an hour's ride. On the way you'll be able to look off to the south and get a distant view of the Temples of Zion which you left a few days ago.

There will be a short time for curio shopping at Cedar City before you depart at 9:00 PM enroute to Salt Lake City.

Tenth Day. At 7:30 AM you are transferred from the Salt Lake City depot to the Hotel Utah for breakfast—leaving the hotel at 9:00 AM for a trip to famous Saltair Beach, where you can take a dip in Great Salt Lake, if you desire. You return to the Temple Grounds in time for the noon organ recital at the Tabernacle and conducted tour of the grounds. Luncheon at Hotel Utah. At 3:30 PM motor tour of Salt Lake City, including business and residential sections, State Capitol and University of Utah, terminating at Union Pacific Station. Leaving at 5:30 PM your train heads for Denver as you enjoy dinner in the dining car and a restful night's sleep.

Eleventh Day. Breakfast in the dining car before you reach Denver — then leave immediately for an interesting sightseeing trip, visiting the Civic Center, parks and residential district; continuing by way of Park of the Red Rocks and Bergen Park to Central City, early mining town, where gold was first discovered in this area. Here a guide will show you the old Opera House, still in use; and the famed hotel, the Teller House, where luncheon is served. Time to look around this interesting town before returning to Denver to board the streamliner "City of Denver," homeward bound.

You'll spend the evening reliving the stirring events of the past two weeks.

Twelfth Day. Arrive Chicago soon after breakfast. Fond farewells and promises to write and exchange snapshots bring to an end a glorious vacation.

SUNDAY DEPARTURES FROM CHICAGO

A visit to Yellowstone National Park is in itself a complete vacation. So, too, is a trip through the Southern Utah-Arizona National Parks. But to select two such fascinating regions, combining them into one 13-day, all-expense tour, this is indeed vacation news of the highest order — a vacation trip you can look back upon as one of the most eventful chapters in your life.

First, you see all of Yellowstone — three days of sightseeing with overnight stops at Old Faithful Inn and Grand Canyon Hotel. Then a day of sightseeing in Salt Lake City. Finally, five days and four nights in the Utah-Arizona Wonderlands where Nature's sculptured masterpieces await your rapt contemplation.

What wonders they are to behold! Zion National Park, a symphony in form and color; Arizona's Grand Canyon National Park, a world wonder in its own right; Bryce Canyon, masterpiece of erosion and color; and, lastly, the painted cliffs of Cedar Breaks National Monument. Add the drive through beautiful Kaibab Forest, over Mt. Carmel Highway and through Red Canyon.

33

Ranger-Naturalist explains how a geyser cone is formed.

Wondrous Zion Canyon

MOTOR TOUR OF UTAH-ARIZONA WONDERLANDS

The route from Cedar City to Zion National Park is very interesting as it recalls much of the early-day Mormon settlement of the area.

You will be shown to your attractive cabin on arrival at 10:45 AM and after you are settled it will be time for lunch in the lodge center. In the afternoon a trip by motor to the Temple of Sinawava and a hike with the Ranger-Naturalist to the Narrows. The scenery in this brilliantly colored canyon will inspire you. There will be entertainment — nature talk, movies, dancing — plenty of activity for the evening.

Eighth Day. Church services are available, early Sunday morning. Buses leave at 9:00 AM for Grand Canyon. On the way you pass through the famous Mt. Carmel Tunnel along the Mt. Carmel Highway, with six huge tunnel portals through which you get magnificent views of Zion National Park. After passing through Kanab and Fredonia you reach the Kaibab National Forest with its stands of ponderosa pine, Douglas fir, spruce and aspen. Then, at 1:00 PM, you arrive at Grand Canyon Lodge where a hospitable welcome awaits you.

Words cannot describe the Grand Canyon — you must see it for yourself. You will never tire of gazing into its purple depths. Tear yourself away for a delightful luncheon in the lodge and a pleasure-filled afternoon and evening.

Ninth Day. Another full day (Monday) to gain unforgettable impressions of this stupendous work of nature. You may wish to make a motor trip to Cape Royal or Point Sublime, other vantage points.

Tenth Day. You leave Grand Canyon reluctantly at 8:00 AM to retrace your route back through the Kaibab Forest... through sparkling

canyons... past Vermilion Cliffs... Red Canyons... then, Bryce Canyon, the incomparable, reached at 1:00 PM.

Bryce Canyon will hold you spellbound. It is a dazzling spectacle at sunset. It is like a scene from Dante's Inferno. See it again in the early morning and you will have an entirely different picture. Hike, ride... around the rim or into the depths... and you will be enchanted.

Eleventh Day. You leave Bryce Canyon at 2:30 PM and, enroute to Cedar City, stop at Cedar Breaks National Monument for dinner at the lodge and to view this colorful amphitheatre.

Twelfth Day. Early morning finds you in Ogden, Utah. The train continues eastward, through the Wasatch Mountains — Weber and Echo Canyons — Devil's Slide (to the right) and into Wyoming.

You will enjoy your meals in the dining car and the time in the lounge with the friends you have made en route.

Thirteenth Day. The last morning will be spent reliving the marvelous sights and experiences of the past two weeks. What a tour it has been! You never would have believed that so many scenic thrills could be packed into such a short space of time — that so much pleasure could be purchased so reasonably. You arrive in the North Western Terminal in Chicago after luncheon.

Train accommodations in chair cars with reclining seats — on Streamlined Trains

*Rooms with bath at all hotels and in Yosemite.
All meals included in cost.*

SUNDAY DEPARTURES FROM CHICAGO

You'll never know how thoroughly yet how economically you can "do" California in two weeks until you've taken our BC Tour.

It's a real bargain — yet nothing is omitted for economy's sake.

You travel on luxurious streamliners — the "Challenger" and the "City of San Francisco" — in modern chair cars with reclining seats and leg-rests — and you spend only three nights on the train roundtrip. The streamlined San Joaquin "Daylight" is used between Los Angeles and San Francisco.

You see the best of California — Riverside, with its world-famous Mission Inn; then motor to Los Angeles by way of San Diego, through the citrus fruit country, with a visit to Tijuana, Mexico. You'll see Los Angeles, Beverly Hills, Hollywood and the beach cities; spend two days in Yosemite National Park and two days and nights in San Francisco.

The all-expense cost includes rail fare, rooms with bath at fine hotels and lodges, sightseeing at all stopover points — and note this, *all meals are included.*

We believe the "BC" to be the most complete and lowest-priced economy tour offered to California. But — judge for yourself — read the day-by-day description.

DAY-BY-DAY STORY

First Day. This morning you will board your "magic carpet" — The Challenger Streamliner train — on your way to two weeks of exciting adventure. Your accommodations — a chair car with individual reclining seats, each equipped with a leg-rest for additional comfort.

You'll enjoy the hours that follow — getting acquainted with fellow-vacationers — perhaps a song-fest — playing cards — or just watching the scenery as you cross Illinois, Iowa and Nebraska.

Through Nebraska and Wyoming you parallel the route of the wagon-trains of the pioneers, the Mormons, the gold-seekers of '49 and the Pony Express.

Second Day. Through Salt Lake City in the morning, then down through Utah and Nevada into California. After dinner you leave your train at Riverside and transfer to world-famous Mission Inn — termed the most unique hotel in America. A stay at the Inn is truly a fitting introduction to California.

You'll soon be comfortably settled for the night in your room with bath — and find it difficult to believe your trip started only yesterday.

Third Day. Breakfast — then a guided tour of the Inn — its galleries of amazing art treasures, collections of bells and dolls, the famous Flyers' Wall, St. Francis Chapel, Rooms of the Authors, in one of which Carrie Jacobs Bond composed "The End of a Perfect Day." At Mission Inn the traditions and treasures of gracious Spanish days are skillfully blended with the tempo, comforts and requirements of modern living.

All too soon you'll hear "All Aboard" as your motor buses leave the Inn for an interesting drive through the citrus and avocado grove country, by way of Escondido to San Diego. Headquarters, U. S. Grant Hotel.

After luncheon a tour is made through National City, Chula Vista and across the International Border to Tijuana, Old Mexico. Time to visit the shops and places of interest. Return via the Silver Strand and Coronado with a stop at Hotel Del Coronado, arriving U. S. Grant Hotel in time for dinner. The evening is free.

Fourth Day. Following breakfast you leave by motor for an interesting day, seeing some of Southern California before reaching Los Angeles in the evening. Your route is via Old Town, Point Loma, Mission Hills, La Jolla, and the Coast Highway to Mission San Juan Capistrano, founded in 1776 and to which the swallows return from the South each year on St. Joseph's Day, March 19th. Then by way of Laguna Beach to Buena Park and famed Knott's Berry Farm for a de-

licious luncheon. There will be time to visit Ghost Town — a hobby which developed into an historic land-mark — with its Gold Mine — Little Chapel — Livery Stable — General Merchandise Store and many other relics of pioneer days. After luncheon you continue via Seal Beach, Long Beach, and the oil field at Signal Hill to Los Angeles where you headquarter at Hotel Alexandria — room with bath. Dinner at the hotel.

Fifth Day. The morning is left open for resting or shopping. Arrangements have been made for all meals to be taken at the Hotel Alexandria while in Los Angeles; however if you want to eat elsewhere, your escort will arrange to redeem for cash the meal coupons you will hold — each has a stated value.

Afternoon you leave the hotel at 1:00 PM (PST) for an interesting sightseeing trip to Beverly Hills and the Beaches. You will view the downtown shops, Westlake Park and the Wilshire district, pass Hollywood motion picture and radio studios, see Hollywood Boulevard, the smart "Sunset Strip"; the Beverly Hills homes of movie stars and celebrities, Westwood, Bel-Air Estates — Will Rogers' estate, the Pacific Ocean and millionaires' homes along the Beach at Santa Monica, from the Palisades. Return to the hotel for dinner.

Sixth Day. No planned activities. You may wish to shop, visit with friends, visit some of the broadcasting studios, the Farmers' Market or take an independent sightseeing trip. All meals furnished at hotel.

Seventh Day. Saturday morning at 5:45 AM (PST) you are transferred to Union Station. Your train leaves at 6:20 AM — and you'll breakfast in the dining car.

Another memorable day. Comfortably seated on the San Joaquin Valley "Daylight" Streamliner, you ride over the Tehachapi Pass, glide through Bakersfield and Fresno, to Merced through the productive farming and fruit raising areas in the San Joaquin Valley. Arrive Merced about 2:15 PM and transfer to buses for the trip to Yosemite Valley, passing through Mariposa at the south end of the Mother Lode gold country.

MOTOR TOUR OF YOSEMITE NATIONAL PARK

Journeying via spectacular Merced Canyon, you arrive at Yosemite Valley at 5:40 PM (PST). Headquarters at Camp Curry — room with bath. Dinner is served here.

Eighth Day. Sunday — all day in Yosemite Park, meals at Camp Curry. Church services are conducted in the morning. The urge to hike around the floor of the Valley will prove irresistible. Dominating the scene are El Capitan and Half Dome, stupendous rock mountains. The beauty of Yosemite Falls is fascinating as the water leaps clear of its bed to drop 2425 feet in a seemingly endless torrent. You will thrill as you watch the Firefall, a cascade of burning embers pushed over the rim at Glacier Point each night to drop 1000 feet in a sparkling column of fire.

There are many activities at Yosemite with entertainment in the evening — yours to enjoy.

Ninth Day. Reluctantly, you'll leave Yosemite Valley at 11:15 AM (PST) after an early luncheon, bound for Merced. As you leave the heavily wooded foothills you pass large fig orchards and the world's largest peach orchard.

Your train, the "San Joaquin Daylight," leaves Merced at 2:17 PM (PST). Dinner will be taken in the dining car before arriving at Oakland Pier 5:50 PM (PST).

Leaving the train an interesting trip across San Francisco Bay by ferry steamer brings you to San Francisco at 6:30 PM (PST). By motor, you go directly to the Stewart Hotel, room with bath, your headquarters while in San Francisco.

Meals can be taken at the coffee shop in the Stewart Hotel — or, if you wish to eat elsewhere, your escort will arrange to exchange your meal coupons for cash.

Tenth Day. Tuesday morning — you'll board your motor bus for one of America's most interesting sightseeing trips, the "Thirty-Mile" Drive of San Francisco. This includes the Civic Center, Mission Dolores, Twin Peaks, Golden Gate and Lincoln Parks, Ocean Beach, Seal Rocks, Cliff House, the Presidio and business and residential districts. The trip will end about noon. The afternoon and evening are free to do as you please. You may wish to visit the "Top of the Mark" or one of San Francisco's noted night clubs, explore Chinatown or visit Fisherman's Wharf — and, of course, take a ride on a cable car.

Eleventh Day. Wednesday — you'll have most of the day free to re-visit some of the places seen yesterday, to visit some of the unusual shops, or perhaps do some independent sightseeing. You'll find no end of interesting things to do and see. Buses will transfer you from the hotel to the ferry station at 4:30 PM. You cross the bay by ferry steamer and board the famous streamliner, "City of San Francisco," which leaves Oakland Pier at 5:30 PM homeward bound. Skirting San Francisco Bay, your train passes Oakland and Berkeley enroute to Sacramento, historic State capital, reached about 7:30 PM, then continues over the Sierras. At Sutter's Fort near Sacramento was found the gold that started the famous migration of 1849.

Twelfth Day. About breakfast time you'll experience the thrill of "going to sea by rail" as your train crosses the Great Salt Lake over the famous Lucin Cut-off, arriving at Ogden about 9:40 AM. Leaving Ogden you are on the Union Pacific Railroad and through the day you'll travel across Wyoming. Your scenic menu consists of many rugged formations — the Wasatch Mountains, Weber Canyon, Echo Canyon and across the Rockies. At Creston you cross the Continental Divide. You will pass through Cheyenne, Wyoming, about 6:40 PM and soon after enter Nebraska.

Thirteenth Day. You have traveled thousands of scenic miles; you have visited strange, exciting places and you have won many new friends. Soon after breakfast you will arrive in Chicago and the end of a stimulating vacation.

DAY-BY-DAY STORY

First Day. In mid-afternoon you leave Chicago on what is sure to be a memorable vacation. Your first hours will be spent in getting acquainted with congenial travelling companions as your train, the San Francisco Overland, crosses Illinois and Iowa.

Second Day. Early morning finds you in western Nebraska and later at Cheyenne, Wyoming, capital of the state. Your route across Wyoming into Utah parallels that followed by the Argonauts of '49, the Mormons and other pioneers, as they trekked laboriously across mountains and plains in search of happiness and fortune. Salt Lake City is passed late in the evening.

Mighty Hoover Dam harnesses the Colorado River

Third Day. You reach Las Vegas, Nevada, about 7:00 AM, and after breakfast you'll board motor buses for a trip to Boulder City — built to house the men who constructed Boulder Dam (now Hoover Dam). A short stop is made here; then you're off to the Dam itself where Government guides conduct your party through the huge power-houses inside, and give informative talks about points of interest.

Luncheon is taken at Lake Mead Lodge after which the party returns to Las Vegas and to one of the leading resort hotels for dinner. You leave Las Vegas at 8:15 PM — next stop, California!

Fourth Day. This morning you'll awaken in San Bernardino, where you arrived during the early morning hours. At about 7:00 AM you'll board motor buses and your introduction to California will be a short, interesting drive to Riverside and beautiful Mission Inn where room with bath will be provided.

After breakfast a tour of the Inn, with an opportunity to inspect its galleries; its historic relics; its fine Spanish architecture. Every nook and cranny of the Inn presents some fascinating bit of lore or legend, antiques or masterpieces that will delight you hours on end. Bring your bathing suits and enjoy a dip in the pool. Mission Inn is famous the world over.

Fifth Day. You are now off on an exciting motor tour to the South ... through enchanting stretches of citrus groves and vineyards ... then west over the hairpin curves of the Ortega Highway, up the east slope

of the Santa Ana Mountains to James Point for a panoramic view of the Elsinore Valley, two thousand feet below ... through San Juan Capistrano for a visit to the mission founded by Father Junipero Serra in 1776 ... on to La Jolla, noted for the beautiful homes of its artists' colony, and then on past Sunset Cliffs and Inspiration Point to San Diego itself and your headquarters at the U. S. Grant Hotel.

After being roomed at the Hotel you will have luncheon in the main dining room. Leave hotel at 1:00 PM (PST) for a tour of Old Town, Balboa Park, National City and Chula Vista to Tijuana, Old Mexico. After visiting the quaint shops and other attractions, you will return to San Diego via the Silver Strand and Coronado.

Time to "freshen-up," then to the Harbor House, directly on the shore of San Diego Bay, for dinner. You may do as you please after dinner — perhaps a stroll along the interesting waterfront; take in a show or visit a night club for dancing.

Sixth Day. At 8:00 AM motor buses will leave the hotel for another interesting scenic ride north through picturesque country via Mission Hills, La Jolla, Laguna Beach, famous home of artists and musicians. A stop is made at Knott's Berry Farm for a delicious luncheon, then on through Newport and Long Beach to Los Angeles.

You are taken direct to the Biltmore Hotel where rooms with bath are awaiting your party. Dinner about 7:00 PM (PST) in the world-famous Biltmore Bowl, with music for dancing by a famous orchestra as well as other fine entertainment. This will be one of the highlights of your trip.

Seventh Day. Breakfast at the hotel. Leave at 8:00 AM (PST) by motor for a very interesting tour which includes a view of the downtown shops, Westlake Park, Wilshire District, Windsor Square, Hollywood Motion Picture and Radio Studios, Hollywood Boulevard, the smart "Sunset Strip," Beverly Hills homes of the movie stars and celebrities. Westwood, site of the University of California at Los Angeles, Bel-Air Estates, the Riviera, Will Rogers' estate, the Pacific Ocean and millionaires' homes along the beach at Santa Monica from the Palisades. Luncheon will be taken at the Hotel Miramar in Santa Monica — after which the party returns to the Biltmore.

Anyone desiring to visit the Farmers Market or one of the radio or television studios may leave the buses at these points on the return trip and return to the Biltmore independently.

Eighth Day. No activities are planned today — you'll have time for shopping, visiting friends or for independent sightseeing. Coupons provided for meals at the hotel may be redeemed for cash if you choose to eat elsewhere. The party will leave the hotel at 5:40 PM (PST) for the station to connect with the 6:30 PM (PST) train for Fresno. Your

dinner coupon will be accepted in the dining car if you wish to have dinner on the train.

Ninth Day. Sleepers may be occupied until 6:30 AM (PST), when motor buses will transfer you to Hotel Californian for breakfast. Immediately after breakfast you leave by motor for tour of Yosemite National Park. Those who wish to may attend early church services in Fresno.

MOTOR TOUR OF YOSEMITE NATIONAL PARK

Leaving Fresno at 8:00 AM (PST) your route is through oak-forested rolling foothills and up the western slope of the Sierra Nevada Mountains en route to Mariposa Grove of Big Trees where you get your first view of the "Sequoia Gigantea." They are the earth's oldest and largest living things. It is impossible to describe the feeling that comes over you as you look up at these mighty monarchs of the forest, some thirty feet thick, nearly three hundred feet high and with an estimated age of more than 3,800 years. Six hundred trees comprise the Grove. You drive through the Wawona (Tunnel) Tree and may walk along the Fallen Monarch. After luncheon at Big Trees Lodge you ride in the shadows of the towering granite peaks of the valley en route to The Ahwahnee Hotel, your headquarters, reached at 2:30 PM (PST).

Enroute you will see the many natural wonders of Yosemite, and what beauties they are! This is scenic grandeur unsurpassed anywhere . . . huge granite domes . . . feathery waterfalls . . . mighty cataracts . . . these are the properties of Yosemite. There's Half Dome, which for eons of time has looked down upon the Valley . . . Bridalveil Fall with its delicate spray . . . Yosemite Falls, the highest in the world, with a drop of 2,425 feet . . . El Capitan, rising a sheer 3,000 feet from the Merced River and eternally guarding the west entrance of the valley. Spend the balance of the afternoon and early evening enjoying these marvels of nature.

After a hearty dinner at The Ahwahnee Hotel you will select a good vantage point from which to see the unique Firefall pour over the precipice at Glacier Point. Truly a day of surprises as well as unforgettable, treasured memories.

Tenth Day. This morning you may wish to stroll to the Park Headquarters, visit the Park Museum to hear an illustrated lecture on the formation of the Valley, or accompany a Park Ranger-Naturalist on a hike. Others may just wish to lounge on the veranda of The Ahwahnee and enjoy the beauty all around them.

Leaving Yosemite Valley at 3:45 PM (PST) you motor through the Wawona Tunnel onward and upward to Glacier Point, 3,254 feet above the Valley, presenting a breath-taking panorama of High Sierra peaks and a bird's-eye view of the Valley. After dinner your party takes a last,

The stately Golden Gate Bridge

farewell look at Yosemite and leaves at 7:30 PM (PST) for the return trip to Fresno where your sleeping cars will be waiting.

Eleventh Day. Your eventful day starts early because you leave your train at Berkeley at 6:14 AM (PST) where motor buses will be waiting to take you by way of the University of California campus to lovely Hotel Claremont, situated in the Berkeley Hills, overlooking the East Bay cities of Berkeley and Oakland. To the west can be seen San Francisco Bay and, if it's a clear day, the Golden Gate and San Francisco-Oakland Bay Bridges and the skyline of San Francisco.

After breakfast you'll start on an outstanding scenic drive. First — across the San Francisco-Oakland Bay Bridge to San Francisco — continuing on a thirty mile trip of the city. Included are a stop at Mission Dolores, Twin Peaks, Golden Gate Park and the world renowned Cliff House, overlooking Seal Rocks and the Pacific, where you have luncheon. Returning you see Lincoln Park — the beautiful Sea Cliff and Marina residential districts and the Presidio, enroute to your headquarters, the Palace Hotel.

All meals in San Francisco are included in your tour cost. However, so that you will be free to eat at any or several of San Francisco's noted eating places, your escort will redeem in cash the meal coupons provided. He will tell you, too, about the better restaurants.

The afternoon and evening are open to "do as you please." You will want to explore Chinatown, or visit the "Top of the Mark" or some noted night club.

Twelfth Day. Because there are so many things to do and see in San Francisco, nothing is planned for today. You'll want to visit some of the many unusual shops and stores; perhaps revisit some of the places passed yesterday or arrange to lunch or dine in Chinatown or at Fisherman's Wharf.

Thirteenth Day. At 10:00 AM (PST) you transfer from the hotel to the Ferry Station.

Crossing the bay by ferry steamer to your awaiting train at Oakland Pier, you experience the only available means of transportation across the bay prior to completion of the towering San Francisco-Oakland Bay Bridge under which you pass.

Luncheon and dinner in the dining car. You will wish to spend the afternoon in the lounge car viewing the scenery in the high Sierra, then down the eastern slope and across the painted desert of Nevada.

Fourteenth Day. Early this morning you will experience the rare sensation of "going to sea by rail" — crossing Great Salt Lake.

Later you cross Wyoming, retracing the route of your westbound trip. There will be leisurely meals in the dining car and pleasant hours in the lounge as your train speeds across Nebraska.

Fifteenth Day. After an enjoyable breakfast and lunch in the dining car, the last leg of the journey is completed and you are back in Chicago where this memorable tour started. There will be promises to correspond as the members of your party prepare to go their several ways.

Travel by steamer to Vancouver, followed by such scenic treats as the trip through the Canadian Rockies by train to Field; then motor to Emerald Lake and Yoho Valley — stay at beautiful Lake Louise and picturesque Banff.

You travel home by way of Minneapolis and St. Paul. Truly, a rich vacation investment.

DAY-BY-DAY STORY

First Day. The late afternoon passes pleasantly as you become acquainted with your companions of the next two weeks, and your train, the San Francisco Overland, crosses Illinois and Iowa.

Second Day. You entered Nebraska in the wee hours and during the mid-morning pass through Cheyenne, Wyoming, famous ever since those legendary days when the West was growing up. You follow the route of the Overland and Oregon Trails as you cross the State of Wyoming and Idaho passing Pocatello in the evening, then on to Shoshone.

Third Day. Your sleeping car may be occupied at Shoshone until 7:00 AM (MST). Ten minutes later you leave Shoshone by motor coach for Sun Valley. You spend the entire day in this world famous sports center . . . partake of Sun Valley meals . . . enjoy one or more of its many

B. C., where the beautiful Empress Hotel will be your headquarters. Dinner on the ship before arrival. It is important that proper credentials proving U. S. citizenship be carried to comply with immigration regulations. See "General Information" for details.

Eighth Day. Saturday morning — a comprehensive scenic drive of this typically English city visiting the Parliament Buildings, business section and residential districts, with a stop at Mrs. Butchart's Gardens, 16-acre wonderland of flowers and formal gardens. After lunch you leave Victoria by steamer for Vancouver, again enjoying a "taste of the sea."

At Vancouver you transfer directly to the Canadian Pacific train for the run to Field, B. C.

Ninth Day to Twelfth Day. Morning finds you in the midst of the Canadian Rockies — with thrilling sights as the ever-changing panorama of scenic grandeur unfolds before your eyes. Luncheon in the diner before reaching Field.

Into motor coach for a drive of rare scenic beauty which will take you into two National Parks. First you go to beautiful Emerald Lake situated in a forest beneath towering Mt. Burgess in Yoho National Park. Then to Takakkaw Falls in Yoho Valley, continuing through Kicking Horse Canyon, past Wapta Lake and across the Great Divide into Banff National Park, oldest and second largest of Canada's National playgrounds, arriving at beautiful Chateau Lake Louise at 6:00 PM.

Monday, Tuesday and Wednesday are spent at beautiful Chateau Lake Louise and the Banff Springs Hotel, both within the boundaries of Banff National Park. The settings are superb. Lake Louise is a bit of turquoise loveliness surrounded by noble mountains robed in white — an exquisite jewel. Motoring from Lake Louise to Banff through Johnson Canyon you pass towering Mt. Eisenhower. A drive at Banff covers many places of interest in that area. Banff is truly a coign of vantage from which to view the picturesque Bow River Valley and breath-taking mountain panoramas. Here you may climb mountains, play golf, go horseback riding or motor over scenic trails and highways, bathe in a famed hot springs pool or just loaf to your heart's content. The finest of hotel accommodations — perfect service — superb scenery!

Twelfth Day through Thirteenth Day. Leaving Banff at 4:30 PM on Wednesday, the 12th day, the next two days you are homeward bound. Across the great level wheat fields of Saskatchewan you speed, down to Portal, North Dakota. Here your train crosses the international boundary between Canada and the United States. Then on to the Twin Cities — Minneapolis, beautiful city of many lakes . . . St. Paul, capital of Minnesota.

Fourteenth Day. Arriving in St. Paul at 7:15 AM, Friday, breakfast will be taken at Union Station restaurant — then an interesting motor trip of the Twin Cities, covering residential and industrial areas, the University of Minnesota campus, lakes and the State Capitol. Return in time to board Chicago & North Western's sleek streamliner, the "400," for a pleasant daylight trip through picturesque Wisconsin.

Leaving St. Paul at 12:30 PM (CST) you'll have luncheon and dinner on the train. You're due in Chicago at 6:45 PM (CST) — the end of the line — and a vacation of outstanding beauty — one you'll always remember with pleasure.

SATURDAY DEPARTURES FROM CHICAGO

Here again we offer you a week's vacation (8 days) to a region which, while easily accessible, might well be thought of as a "million miles from the commonplace and humdrum." It's a Colorado outing.

What is there about Colorado that is so irresistible? The mountains, for one thing. Those rugged old giants with their lofty white heads outlined against the blue sky "pop" one up as nothing else can. Then there is the clean, bracing air . . . the invigorating sunshine . . . the fragrant pine forests . . . the silvery lakes and tumbling streams . . . and the outdoor pastimes that go with all this.

Yes, Colorado is truly an ideal vacation state, and the "RM" Tour is truly the kind of vacation that permits full enjoyment of its many diversions and attractions. Little wonder this tour is so popular.

DAY-BY-DAY STORY

First Day. You board your sleek streamliner, the "City of Denver," in the afternoon and have a short time to get acquainted with other members of your tour party before going to dinner. Later you will probably enjoy a game of cards — a session with a late magazine — or just relaxing, as your train speeds across Illinois and Iowa.

Second Day. Breakfast in the dining car before you arrive in Denver at 8:30 AM. Here you will transfer to the D&RGW RR. for the short ride to Colorado Springs, reached at 10:45 AM.

Limousines will be waiting to take the party to the Antlers Hotel, and the rest of the morning will be spent getting settled in your hotel room, or attending church services. Luncheon at the hotel, then at 1:30 PM leave by automobile for the 34-mile drive, including the beautiful residential districts of Colorado Springs; fantastic and colorful Garden

View along Trail Ridge Road

Yachting on Grand Lake

of the Gods and High Mesa. You will take the thrillingly scenic drive up Cheyenne Mountain to the summit, visiting the Will Rogers Memorial Shrine. Return is by way of North Cheyenne Canon, the High Drive and Bear Creek Canon back to the Antlers Hotel for dinner and lodging.

Third Day. The morning is open for resting, shopping or independent action. Breakfast and lunch at hotel. Automobiles leave at 1:30 PM for the 60-mile drive to the summit of venerable Pikes Peak. Dress warmly for you're going up to 14,110 feet above sea level and snow flurries and blustery winds are likely along the way. This thrilling trip will live forever in your memory. Every turn of the road brings new and breath-taking vistas. You will be served a typical western Chuck Wagon dinner in the Garden of the Gods and enjoy an evening of Cowboy Style entertainment under the stars.

Fourth Day. Early breakfast at the hotel, then by limousine to the station to "catch" the 8:01 AM train to Denver. Motor buses will be waiting to take you on a sightseeing trip of Denver's Civic Center, business and residential districts, parks and boulevards, terminating at the Park Lane Hotel for luncheon.

MOTOR CIRCLE TOUR OF ROCKY MOUNTAIN NATIONAL (ESTES) PARK

Soon after luncheon you will motor by way of Longmont, Loveland and the Big Thompson Canyon to Estes Park, reached late in the afternoon.

You are soon roomed in the Chalet-Ranch, a rambling rustic structure of great charm, your headquarters for two nights.

Fifth Day. Ample time to hike over beautiful mountain trails, or perhaps you would like to take a more extended trail trip on horseback. Evening hours filled with gay entertainment.

Sixth Day. You leave Estes at 9:00 AM. Ahead lie charming vistas of rugged mountain grandeur on the way to Grand Lake . . . Trail Ridge

Road . . . the Mummy Range . . . Iceberg Lake . . . the Continental Divide. Down Milner Pass to Grand Lake Lodge, your headquarters with sleeping accommodations in rustic cabins.

It will be noon when you reach Grand Lake and after a satisfying luncheon in the delightfully rustic surroundings of the Lodge you will probably take one of the well-marked trails for a hike — perhaps down to the village on the shores of the Lake, or in the higher elevations around the Lodge. The village offers movies, dancing and entertainment nightly.

Seventh Day. Today you have a leisurely breakfast, then leave Grand Lake at 9:15 AM, traveling along the headwaters of the Colorado River to Granby, then over Berthoud Pass, recross the Continental Divide, and through Idaho Springs to quaint Central City, once a busy gold-mining center. The mountains here are honeycombed with old mining shafts and tunnels.

There will be a guided tour of the Opera House, and the famous old hotel, the Teller House, where luncheon will be served.

Time to browse around a bit before returning to Denver to board the "City of Denver" for home.

After an ample dinner in the dining car you will wish to spend this last evening of the tour in the lounge car with members of your party, recalling the many happy experiences and grand sights which you have enjoyed together during the past few days.

Eighth Day. Breakfast, then Chicago. As you bid your companions "good-by" you will marvel that so much real enjoyment and truly magnificent scenery are possible in a trip of such short duration.

Rates for Children under twelve years of age will be furnished upon request. They are entitled to half-fare railroad transportation and various other reductions in tour privileges.

Women Traveling Alone are sometimes reluctant to take an extended vacation trip. Our Escorted Tours offer an opportunity to bridge this difficulty and they can enjoy the trip of a lifetime. They will be introduced to other members of the party and will feel "at home," among friends from the outset.

Dining Car Meals Coupons having a value of \$1.50 for breakfast; \$2.25 for luncheon, and \$2.75 for dinner, are provided for dining car meals, except on "PNW" Tour dinner coupons to be used on Canadian Pacific and Soo Line Railroads are valued at \$3.00 each, and a refund in cash is made at time of service if the meal check is less than the value of the meal coupon. (On BC tour dining car meal coupons are valued at \$1.50, \$2.00 and \$2.50, except coupons for meals on the Challenger are valued: Breakfast \$1.00; Luncheon \$1.25 and Dinner \$1.50.

Air Conditioning Tour parties travel on trains that are air-conditioned throughout.

Hotels and Lodges in all National Parks are under the jurisdiction of the National Park Service, Department of the Interior, who desire that all visitors to the Parks be accommodated. Consequently, single rooms are not always available. American plan rates apply in National Parks.

Tour rates in National Parks are based on double occupancy of rooms as indicated below. The Department of Tours will gladly request rooms with bath where they are not already included; however, the additional charge involved must be paid by the passenger direct to each hotel.

Included in tour cost	Added charge for rooms with bath, double occupancy

Baggage Trunks are unnecessary. A suit case or bag will hold sufficient clothing for your entire trip. The Department of Tours will pay for all service in connection with the handling of baggage at stop-over points.

One piece of baggage, weighing not more than twenty-five pounds, will be carried free by the automobiles in the National Parks. If it is desired you may also carry a small overnight bag with you. Additional baggage may be checked free at park gateways. The Department of Tours assumes no responsibility for baggage or personal effects, but in the event of damage, delay or loss, will do all in its reasonable power to lessen the hardships incurred. Upon departure from Chicago your escort will furnish you with special baggage tags, bearing your name and address. Be sure to attach one tag to each of your pieces of luggage which you desire the escort to handle.

Wearing Apparel Warm summer days suggest lightweight clothing, yet the cool, invigorating nights in the mountains make medium-weight wraps necessary—top coats, sweaters, weatherproof outer garments. Outing clothes, slacks, jackets, or sport clothes are a comfort in the Parks, and take along low-heel walking shoes, preferably old ones as they are liable to become scuffed. A pair of colored glasses will be invaluable.

Church Services Your escort will be fully informed regarding church services at places visited on Sunday—special arrangements have been made at various points.

Mail and Telegrams should be addressed to the various hotels shown in the itinerary of the tour you are taking. Specify "Member of C&NW-Un. Pac. Tour YZ-5" or whatever the particular designating letter and number may be. The post office address of all hotels in Yellowstone Park is "Yellowstone National Park, Wyoming." In the Utah-Arizona Parks addresses are as follows: Bryce Canyon National Park Lodge, Bryce Canyon Post Office, Utah; Zion National Park Lodge, Zion National Park Post Office, Utah; Grand Canyon Lodge, North Rim Post Office, Arizona; El Escalante Hotel, Cedar City, Utah; Estes Park Chalet-Ranch, Estes Park, Colo.; Grand Lake Lodge, Grand Lake, Colo. The address of the Ahwahnee Hotel and Camp Curry is Yosemite National Park, California. The address of "PNW" Tour passengers in Mt. Rainier National Park is Paradise Inn, Washington.
